General information

Use only authorized parts. Any damage or malfunction caused by the use of unauthorized parts is not covered by Warranty or Product Liability. Any unauthorized use or copying of the contents or any part thereof is prohibited. This applies in particular to trademarks, model denominations, part numbers, and drawings.

Instructions for use

This spare parts list contains no safety regulations and is merely intended to assist in the ordering of spare parts.

For information about operating, servicing, or repairing, the relevant Safety and operating instructions must be consulted at all costs.

Please observe the safety instructions listed in the relevant Safety and operating instructions!

Service, repair and wear part kits

Wear part and Inspection kits	1
Bearing KITS

4812033477 Hydraulic diagram 24

This exploded view diagram illustrates the assembly of a mechanical unit. The main components are labeled with letters in circles: **A** (base plate), **K** (handle assembly), **L** (longitudinal rails), and **M** (end bracket). The assembly is composed of numerous parts, including:

- Base Plate (A):** The main structural plate, shown in a separate inset with mounting holes 31, 23, and 39.
- Longitudinal Rails (L):** Two parallel rails (6) that run the length of the unit. They are secured with screws 21, 25, 23, and 30.
- Handle Assembly (K):** Consists of a handle (35) and a mounting bracket (42). It is attached to the rails using screws 24 and 42.
- End Bracket (M):** A bracket at the end of the unit, secured with screws 27 and 33.
- Other Components:** Various smaller parts like pins (22, 28), washers (26), and fasteners (4, 14, 15, 23, 31, 39, 61, 62, 63, 64, 65) are shown in their respective positions.

 An inset at the bottom left shows a detail of a bracket (64) being secured with a screw (65). Another inset at the top right shows a detail of a handle (35) being mounted to a bracket (42) with screws (61, 62, 63). A large arrow at the bottom left points towards the assembly direction.

This diagram shows an exploded view of a mechanical assembly. The main assembly consists of a large base plate (2) with various mounting points. A long horizontal rail (1) is shown being attached to the base. Various components are numbered, including: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60. A callout 'A' points to a specific area of the assembly. An inset diagram at the bottom right provides a detailed view of the assembly of a cable or hose (16) into a bracket (17) using a cable clamp (15) and a screw (12). The inset also shows the assembly of a cable (13) into a bracket (14) using a cable clamp (12) and a screw (6). A large arrow at the bottom left indicates the direction of assembly.
