

# Parts Catalogue

## CC1300 VI Vibratory roller

CC1300 VI s/n 10000469xxA030704 -  
Kubota V2203-M (Stage IIIA) (35 kW)

# General information

Use only authorized parts. Any damage or malfunction caused by the use of unauthorized parts is not covered by Warranty or Product Liability.  
Any unauthorized use or copying of the contents or any part thereof is prohibited. This applies in particular to trademarks, model denominations, part numbers, and drawings.

## Instructions for use

This spare parts list contains no safety regulations and is merely intended to assist in the ordering of spare parts.

For information about operating, servicing, or repairing, the relevant Safety and operating instructions must be consulted at all costs.

Please observe the safety instructions listed in the relevant Safety and operating instructions!

## Service kits

|                                         |    |

## Engine room

|                                                    |    |
|----------------------------------------------------|----|
| Expansion tank                                     | 51 |
| Air cleaner                                        | 53 |
| Air hose module                                    | 55 |
| Engine hood                                        | 57 |
| Fuel tank module                                   | 60 |
| Fuel hoses                                         | 62 |
| Battery holder                                     | 64 |
| Hydraulic oil tank                                 | 66 |
| Belt guard                                         | 68 |
| Fan                                                | 70 |
| Cooler module                                      | 72 |
| Coolant hoses                                      | 74 |
| Exhaust system                                     | 76 |
| Bracket module                                     | 78 |
| 4812128808_Diesel engine, Kubota V2203-M (IIIA/T3) | 80 |
| Coupling                                           | 82 |

## Hydraulic system

|                             |    |
|-----------------------------|----|
| Cooler - Suction and return | 84 |
|-----------------------------|----|

## Vibration system

|                                                 |    |
|-------------------------------------------------|----|
| Vibration - One amplitude with access valve     | 86 |
| Vibration - One amplitude without access valves | 88 |

|                                                           |     |
|-----------------------------------------------------------|-----|
| Vibration - Dual amplitude with access valve              | 90  |
| Vibration & fan - One amplitude                           | 92  |
| Vibration & fan - Dual amplitude                          | 95  |
| 4812125795 Hydraulic motor                                | 98  |
| 4812132135 Hydraulic motor                                | 100 |
| <b>Propulsion system</b>                                  |     |
| Propulsion - common                                       | 102 |
| Propulsion - with flow divider                            | 104 |
| Propulsion - without flow divider                         | 106 |
| Propulsion - Brake system                                 | 108 |
| 4812125789 Hydraulic pump                                 | 110 |
| 4812130112 Hydraulic motor                                | 112 |
| <b>Steering system</b>                                    |     |
| Steering system                                           | 114 |
| 4812132194 Hydraulic cylinder                             | 116 |
| <b>Edge cutter (option)</b>                               |     |
| Edge cutter - Left side                                   | 118 |
| Edge cutter - Right side                                  | 120 |
| Hydraulic cylinder module                                 | 122 |
| 4812125907 Hydraulic cylinder                             | 124 |
| Chip spreader (option)                                    | 126 |
| <b>Electrical equipment</b>                               |     |
| Circuit board and fuses                                   | 128 |
| Backup alarm module                                       | 130 |
| Cable harness - Dual vibration                            | 132 |
| Cable harness - Single pole battery disconnecter          | 134 |
| Cable harness; Main engine (IDI)                          | 136 |
| Cable harness kit, Dual Edge Cutter                       | 138 |
| Cable harness, Asphalt temperature meter                  | 140 |
| Cable harness - Working lights, Canopy mounted (option)   | 142 |
| Cable harness - Driving lights (option)                   | 144 |
| Cable harness - Rotating beacon (option)                  | 146 |
| Cable harness - Flow divider (option)                     | 148 |
| Cable harness - Working lights, inclusive Rotating Beacon | 150 |
| Cable harness - Edge cutter & Chip spreader (option)      | 152 |
| Cable harness - Seat heater                               | 154 |
| Driving lights (option)                                   | 156 |
| Working lights (option)                                   | 158 |
| Working light LED module                                  | 160 |
| Working light module S-LED                                | 162 |
| Direction light module                                    | 164 |
| Registration plate light                                  | 166 |
| <b>Drivers platform</b>                                   |     |
| Sprinkler tank                                            | 168 |
| ROPS foldable                                             | 170 |
| Platform                                                  | 172 |
| Hand rail                                                 | 174 |
| Canopy                                                    | 176 |
| Slideable seat                                            | 178 |
| Fixed seat                                                | 180 |
| Comfort seat with heat module                             | 182 |
| Rear view mirror (option)                                 | 184 |
| Control module (1-button) - Right side                    | 186 |
| 4812130902 Control (1-button, single)                     | 188 |
| Control module (2-buttons) - Right side                   | 190 |

|                                                    |     |
|----------------------------------------------------|-----|
| 4812130903 Control (2-buttons) . . . . .           | 192 |
| Controle module (3-buttons) - Right side . . . . . | 194 |
| 4812130904 Control (3-buttons) . . . . .           | 196 |
| ECU module . . . . .                               | 198 |
| Cup and can holder . . . . .                       | 200 |

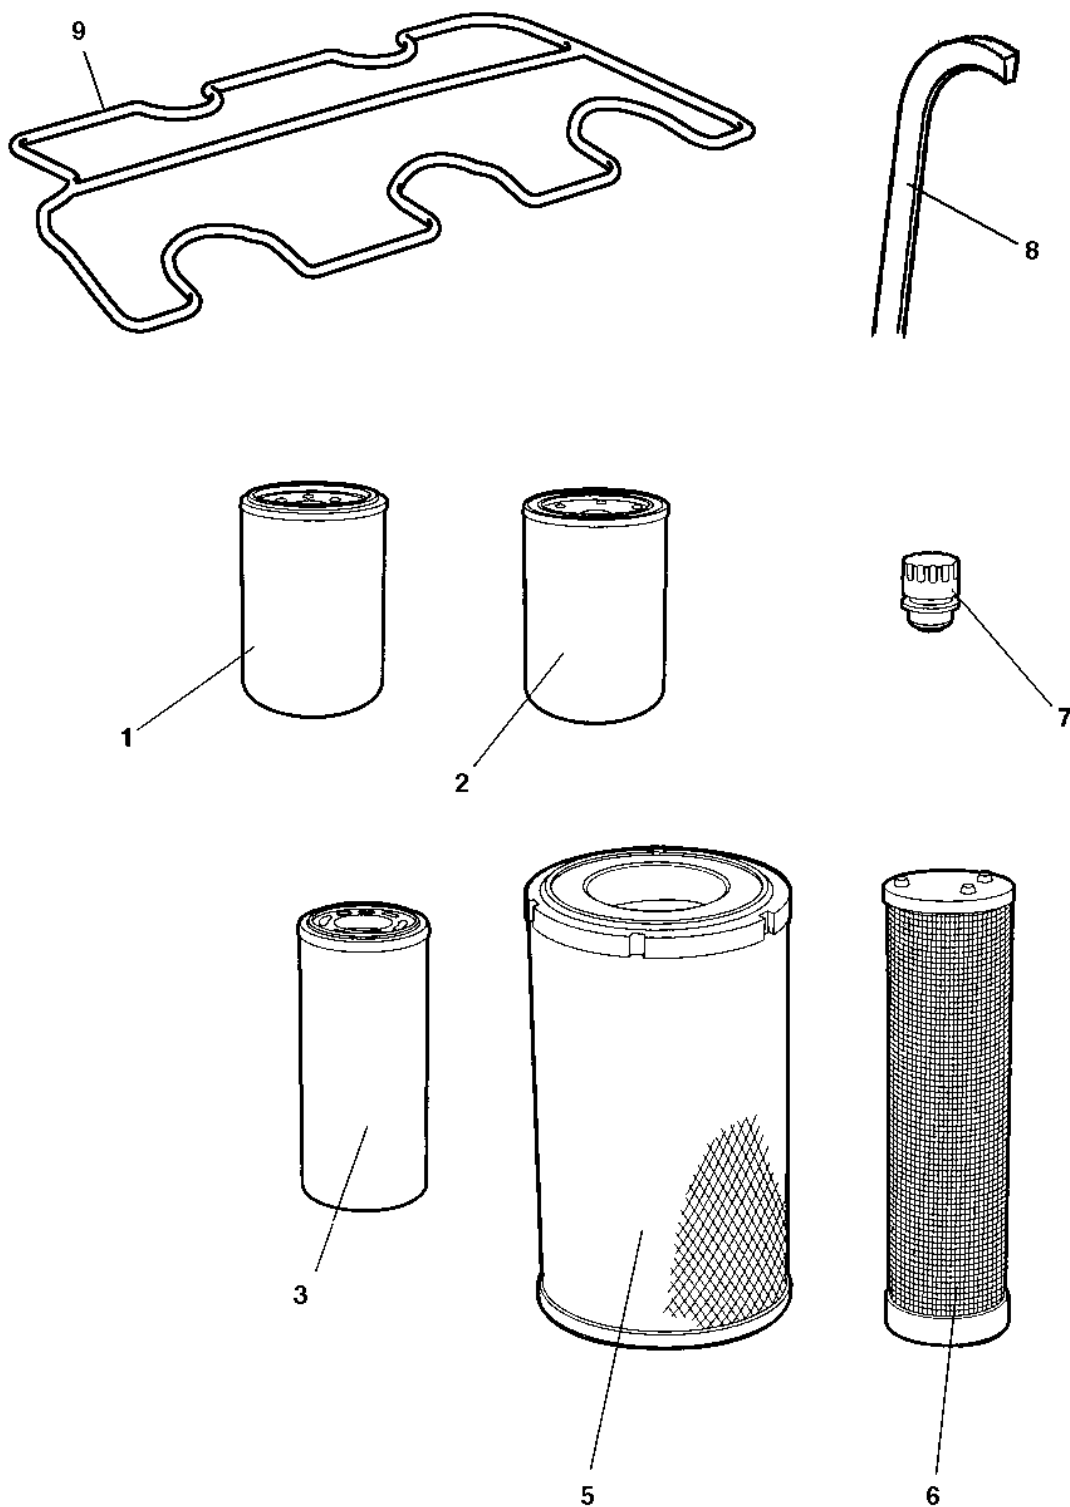

**Decals**

|                                            |     |
|--------------------------------------------|-----|
| Decals . . . . .                           | 202 |
| Reflector module, Working lights . . . . . | 205 |
| Reflector module, Driving lights . . . . . | 207 |

**Optional equipment**

**Edge cutter**

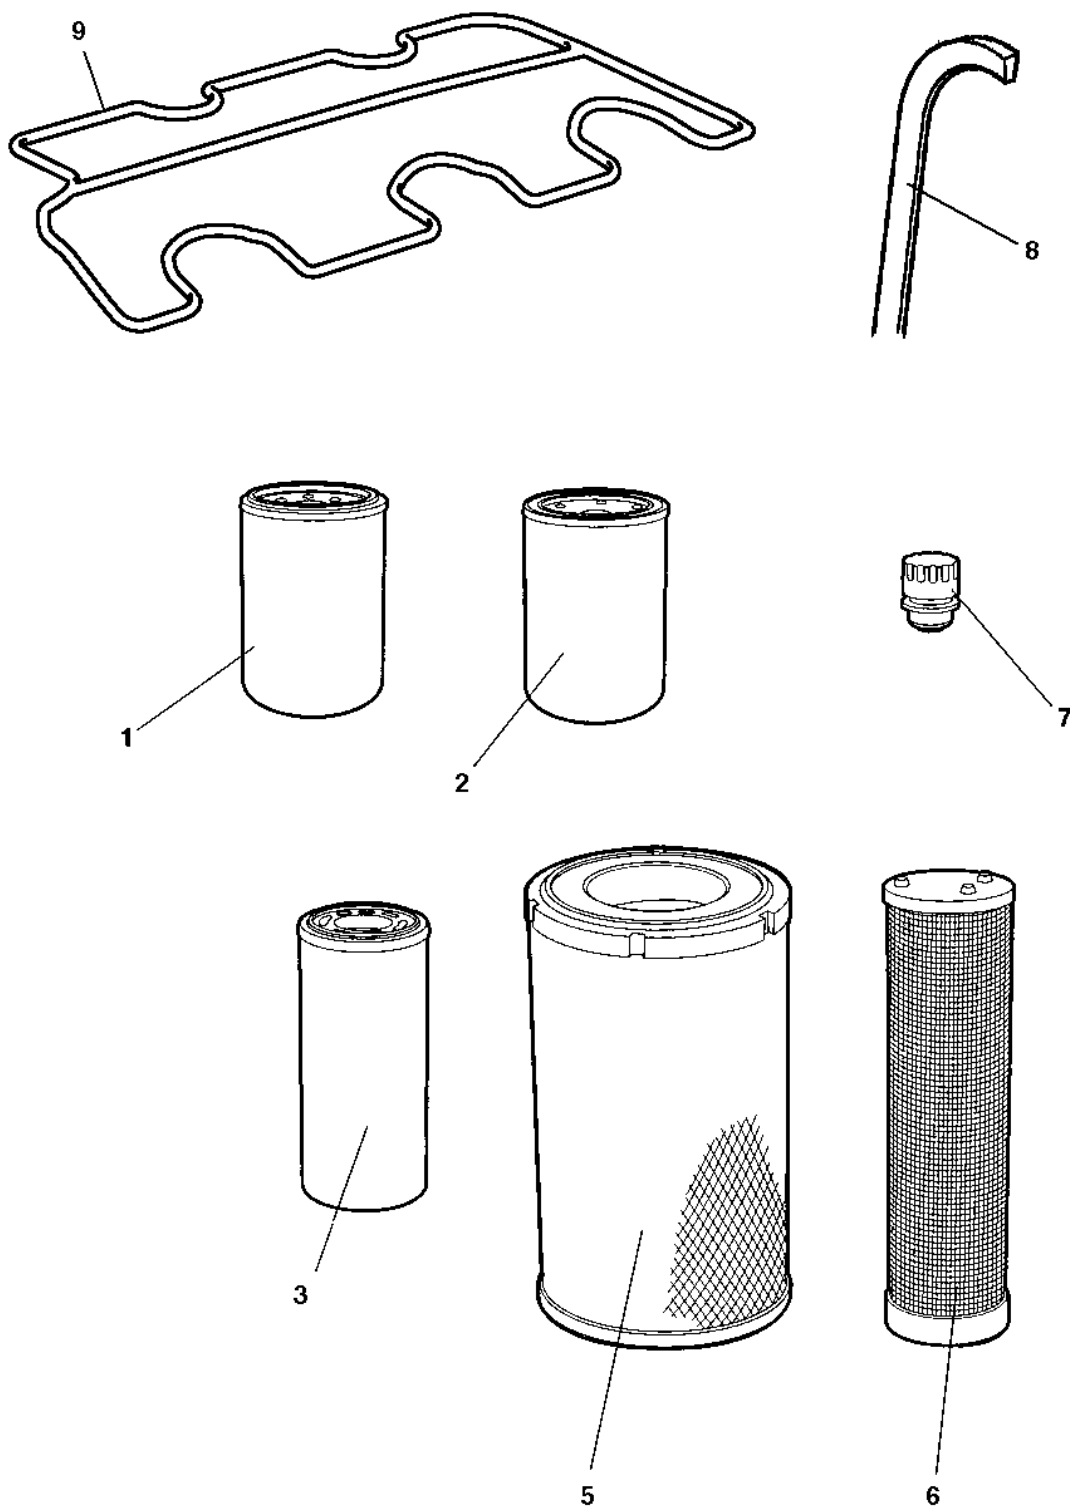

|                                       |     |
|---------------------------------------|-----|
| Edge cutter, Left side . . . . .      | 209 |
| Edge cutter, Right side . . . . .     | 211 |
| Cutting disc . . . . .                | 214 |
| Pressing roller . . . . .             | 216 |
| Chip spreader module . . . . .        | 218 |
| Chip spreader . . . . .               | 220 |
| Temperature sensor (option) . . . . . | 223 |
| Brake release (option) . . . . .      | 225 |
| Fire extinguisher . . . . .           | 227 |
| SMV-sign . . . . .                    | 229 |
| Dyn@Link GPS module . . . . .         | 231 |
| 4812013038 GPS module . . . . .       | 233 |
